NEWBORN, MATTHEW, BENEFITS FROM DEC HEALING

Ann Vaughan, our Dolphin Energy Club coordinator, received this wonderful email, which the family gave us permission to share with you –

On or about August, I put in a DEC request to help my newborn nephew who was born premature and was near death weighing in at just over 1 pound. My brother and his wife were quite distraught at the thought of losing another child.

I want to let you know that this baby, who was named Matthew, is now nearly 6 pounds in weight and is coming home tomorrow! It has been amazing. I wish to thank you and the DEC members who worked on him, my brother Ken, and my sister-in-law Rosemary. They have benefited very much. My family and I believe that DEC made all the difference.

Please convey our appreciation to DEC folks who took on this healing work.

Let them know that they helped save a life in it's very infancy and helped parents cope with fear and stress.

Warmest regards,
-Dean
